2006: Pure Loss Ratio 15%

2007: Pure Loss Ratio 4%

Stability

**ABC Workers
Compensation
Self Insured Group**
We retain 99% of our members year after year. We don't change our appetite.

Training & Loss Control

We spend 6 Times the Average Carrier on Loss Control and Safety Training, at no cost to our members.

Cash Back

2006: We've declared over \$1 million in dividends to our members. 2007: We're on track for over \$1 million. Since 1994, we've distributed over \$4 million. Our members have earned it.

Industry Specific

We serve the Construction industry... only Construction. We know your industry and its obstacles. We train and manage claims accordingly.

Common Goal

We Have a Goal: To lower claims and return money to the member.
How? Aggressive claims management, meaningful light duty, inviting input & open communication.
