SCHOLARSHIP APPLICATION – CONSTRUCTION TRADES APPRENTICESHIP EDUCATION

Mission: The Building Our Future Scholarship will help develop the future talent of the construction industry by providing financial assistance to worthy candidates pursuing a post-secondary education in construction. **This application is for students seeking financial assistance for apprenticeship education in a construction trade.**

ELIGIBILITY

Open to any student who meets one (or more) of the following criteria:

- Accepted into or currently enrolled in a baccalaureate degree program in construction
- Enrolled in a formal construction training program from a licensed provider
- Registered in a state or federally approved apprenticeship program in the construction industry

Applicants should have at least one full year remaining in school subsequent to the scholarship application deadline.

EVALUATION CRITERIA

Scholarships are awarded on the basis of financial need, academic performance, extra-curricular activities, and employment experience. Preference is given to applicants from Massachusetts.

Applications will be reviewed by the Scholarship Committee of the Building Our Future Scholarship Fund, Inc. Decisions of the Scholarship Committee are final.

AWARD

Each non-renewable award will range from \$500.00 to \$2,500.00.

Scholarship funds will be forwarded directly to the school upon verification of acceptance or matriculation for the next school term and any other information as requested by the scholarship committee.

DEADLINE (Extended)

The completed application and reference letter must be received by ABC MA Chapter by July 7, 2023.

Applications received after this deadline, or that are incomplete, will not receive consideration. Application and supporting material should be emailed to Greg Beeman at greg@abcma.org or mailed to:
